REPRESENTING YOUR CONCERNS ABOUT WEEKLEY HALL WOODS PROPOSALS

Your local Borough Councillor **Ash Davies** recently resigned from Kettering Borough Council's Planning Committee so that he can speak against the proposed warehouse development at Weekley Hall Woods on your behalf.

Many of you have been in touch to raise your concerns about the proposals, not least the proposed removal of a large area of woodland and associated wildlife habitats.

Cllr Ash Davies says: "I grew up in Brambleside and walked my dog around these woods for many years, so this area holds a special place for me and my family."

"My colleagues and I will continue to speak out on behalf of the people of Brambleside, to ensure their concerns about this and other local planning matters are firmly represented".

KEEPING OUR COMMUNITY SAFE

RECENT POLICE MEETING:

Your local County Councillor **Bill Parker** and Borough Councillor **Ash Davies** recently met with Sergeant Matt Rock of Northants Police.

We discussed people's concerns about various crime issues in Brambleside. A Police 'Day of Action' was held in Brambleside Ward on Wednesday 25th November.

We will continue to work pro-actively with local Police partners and keep doing all we can to ensure Brambleside remains a safe and pleasant community for all.

BE AWARE: We have recently been made aware of a potential scam in the North of Kettering where residents are being overcharged for home insulation works. Please be vigilant and ensure you check any tradesmen with professional bodies before you agree to any work or payments.

MASSIVE INVESTMENT IN KETTERING GENERAL HOSPITAL

▲ **Photo:** Prime Minister Boris Johnson with Kettering's MP Philip Hollobone

HM Government has substantially strengthened KGH's finances with a complete write-off of the Trust's £167m debt.

In addition, as promised at the last General Election, £46m has been provided to develop a new Urgent Care Hub on the KGH site and now an additional £350m has

been allocated for a major start towards a rebuild of the hospital on its present site.

Kettering Constituency's MP **Philip Hollobone** has been doggedly pursuing this extra funding and is working closely with the hospital itself to ensure the development proceeds as quickly as possible.
