SUPPORTING LOCAL BUSINESSES THROUGH THE PANDEMIC

Just under £16 million of support grants have been distributed to local businesses during the pandemic. Kettering Borough Council were in the top five in the country for distribution of the first Government COVID-19 Grant to businesses in our area, assisting our businesses when they needed it.

A policy of paying suppliers on receipt of invoice, not on terms, helped to ensure speedy payments were there for businesses when they needed it. Kettering Borough Council has administered a second business support grant assisting those customers that have been impacted by COVID 19 but that do not necessarily pay business rates, distributing some £0.8 million.

MASSIVE INVESTMENT IN KETTERING GENERAL HOSPITAL

HM Government has substantially strengthened KGH's finances with a complete write-off of the Trust's £167m debt.

In addition, as promised at the last General Election, £46m has been provided to develop a new Urgent Care Hub on the KGH site and now an additional £350m has

been allocated for a major start towards a rebuild of the hospital on its present site.

Kettering Constituency's MP **Philip Hollobone** has been doggedly pursuing this extra funding and is working closely with the hospital itself to ensure the development proceeds as quickly as possible.
