MAJOR INVESTMENT IN ISE BOWLS PAVILION

▲ PHOTO: Your local Conservative Town and Unitary Councillors (details overleaf)

As your **local** Conservative councillors we are very pleased to have been able to secure a significant £30,250 investment to improve the Ise Lodge Bowls Pavilion.

The Club contacted us when the old hall experienced severe flood damage and became unusable. The upgrade includes a new kitchen, changing rooms and toilets. Further improvements are earmarked for the rest of the building. We are delighted to see the ongoing delivery of this project, which is providing a vital community facility for the benefit of local residents and Clubs.

KEEPING OUR COMMUNITY CLEAN AND TIDY

We have been pleased to take part in recent litter picks in the Ise Valley area. We will continue working hard on your behalf to keep our community clean, tidy and safe for all.

KEEPING OUR ROADS MOVING

Your **local** Conservative councillors have been working hard on your behalf to try and minimise disruption from local roadworks.

This includes meeting with representatives from Anglian Water during the disruptive closures of Deeble Road and Warkton Lane. We strongly represented the frustrations of local residents and have been lobbying utilities companies to ensure that future roadworks in the area minimise disruption where possible and keep our roads moving for the benefit of all residents.

In addition, thanks to good financial management by your local Conservatives, North Northamptonshire Council have recently been able to allocate a further £1.5 million towards local road repairs this year which will include Ise Ward.

VILLAGES UPDATE

We continue to work hard on your behalf to ensure the views of all our wonderful villages are represented:

- Continuing to work with Highways to improve visibility at the main junction to Newton.
- Working closely with multiple agencies to tackle flooding in Little Oakley and other areas.
- Regularly representing people's comments and concerns about local Planning matters.

PROUDLY SERVING AND DELIVERING FOR THE RESIDENTS OF:

Cranford St. Andrew and St. John,
Geddington, Grafton Underwood,
Ise Lodge, Hanwood Park, Little Oakley,
Newton, Warkton and Weekley.

NOT JUST HERE AT ELECTION TIME!

DELIVERING YOUR LOCAL PRIORITIES

We will continue to:

- 1 Strive to keep our community safe, clean and tidy.
- 2 Fight for the retention of vital local bus services.
- 3 Push for improvements to our local roads and pavements.
- 4 Represent your views and concerns about local planning matters.

(Image source: BBC)

HM Government has substantially strengthened KGH's finances with a complete write-off of the Trust's £167m debt.

In addition, as promised at the last General Election, £46m is being provided to develop a new Urgent Care Hub on the KGH site and now an additional £350m has been allocated for a major start towards a rebuild of the hospital on its present site.
